Social Entrepreneurship to battle Youth Social Exclusion

Co-funded by the
Erasmus+ Programme
of the European Union

“ Welcome to the first newsletter of the Erasmus+ Project called "Social Entrepreneurship to battle Youth Social Exclusion" acronym S.E.NEET. ”

The Overall objective

of this project is to empower youths facing social exclusion due to unemployment, by giving them an opportunity to fulfill their potential and be impactful members of their society by introducing them to the benefits of social entrepreneurship.

The project has the following objectives:

To provide

young social entrepreneurs with the required skills and competences to succeed in the modern competitive market environment and increase the positive impact of their businesses on society.

To introduce

the concept and potential benefits of social entrepreneurship to youths facing social exclusion due to low skills and unemployment (NEETs)

To improve

young NEETs ability to utilize the internet and social media in order to promote their businesses online

To improve

the effectiveness of youth workers on providing training and guidance to NEETs with regard to the necessary skills they need to possess in order to compete effectively in the business environment

Our Target Groups

Young people facing the risk of social exclusion due to fewer opportunities and unemployment (NEETs, aged 15-24) are the main group that this project is targeted to.
